OBJECTIVE

I'm a BCA student aiming to start my career in the world of computers and technology. My goal is to find a job where I can use what I've learned to help solve problems and make things work better. I want to work with a team that's creative and exciting, and keep learning as I go. Whether it's making software, websites or managing data, I want to be a part of projects that let me grow and contribute.

EDUCATION

Bachelor of Computer Application, Bengal College Of Engineering And Technology

2021 - 2024

8.2 GPA/CGPA

SKILLS

Technical Skills	HTML, CSS, JavaScript, ReactJs, Tailwind Css
Soft Skills	Communication skills, Problem-Solving, Listening Skill
Extra	Videography, Photography

PROJECTS

Typing Master Web Game. This HTML, CSS, and JavaScript web game puts your typing skills to the test. Race against the clock to become a typing master! Perfect for beginners ([Try it here](#))

Tic Tac Toe. Built with building blocks (HTML) to show the grid and messages.

Styled with colors and sizes (CSS) to look nice.

Makes moves with checks and clicks (JavaScript) to see who wins.
